

MNA – PHOTO DATABASE

The Museo Nazionale dell'Antartide - Earth Science Section of Siena (MNA-Siena) is acting in the name and on behalf of the Italian National Scientific Committee (PNRA) to manage the images collected during the Italian Antarctic Expedition. The person who is requesting images and who is signing the Request Form will be hereafter referred as the Beneficiary.

By signing the MNA Sample Request Form, the Beneficiary undertakes to respect the following clauses.

- 1 The present loan of the sample is free of charge.
- 2 The Beneficiary agrees to acknowledge the author and year with PNRA and MNA-Siena for the image in any publications or online images' usage. The Beneficiary agrees to send notice or a copy of any publication in which image is used. Copy of the publications must be sent to the MNA-Siena (mna@unisi.it).
